Welcome to the 9th Annual ISPN Psychopharmacology Institute! The content has been carefully chosen based on the feedback from ISPN members and from all the participants from previous ISPN Psychopharmacology Institutes.

The Institute Planning Committee has worked diligently over the last year to respond to your ideas for topic areas and recommended speakers. The content is comprehensive and addresses patients across the age spectrum and prescribing issues related to diverse practice settings. This year’s topics range from Opioid Crisis, What APRNs need to know about marijuana, intellectual disabilities disorders, genetic testing, pediatric bipolar disorder, prescribing controlled substances, adverse and interaction effects of psychopharmacology, geriatric psychopharmacology, use of mood stabilizers in treating elders with delirium associated agitation and aggression, adolescent addiction and co-morbidity and treating common faces of depression. There is something for everyone.

During the Institute there is a special session focused on seeking out consultation from a panel of experts; focusing on prescribing for the populations we care for; children and adolescents, adult/geriatric, and consultation/liaison. This is a time for you to be actively involved in the learning process by sharing one of your particularly challenging clinical cases for panel and audience discussion. These sessions are always a time of stimulating discussion filled with ideas and information.

The Psychopharmacology Institute is designed to be interactive and assist you in developing partnerships that will last far beyond the two days of the Institute. You will have opportunities to network with advanced practice colleagues, establish new relationships, and interact with the presenters. We actively encourage our student participants to continue their course of education into real time practice and establish connections with experienced prescribing APRNs.

We hope that you take every opportunity to make this educational event a positive learning experience.

Best regards,
Karen Ragaisis, DNP, APRN, PHMNP-BC, PMHCNS-BC, CARN
Co-Chair

Susan Krupnick, MSN, PMHCNS-BC, ANP-BC, C-PREP

Objectives
This course has been designed so that the participants will be able to:

- Describe new and comprehensive knowledge regarding the psychopharmacologic treatment of major psychiatric, substance abuse disorders, along with other co-morbidities across the life span, which will include antidepressants, antipsychotics, mood stabilizers, psychostimulants, and addiction pharmacology.

- Discuss the emerging knowledge of pharmacogenomics and pharmacoeconomics, psychoneuroimmunology, and the importance of this information in the practice of prescribing psychopharmacologic agents.

- Explore new and comprehensive knowledge associated with the integration of psychopharmacology prescribing into clinical practice, across the life span and in varying clinical practice settings.

- Identify current and future innovations and advancements in the area of psychopharmacology.

Nursing Contact Hours
This continuing nursing education activity was approved by the Wisconsin Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

The ISPN 2016 Psychopharmacology Institute has been awarded a maximum of 10.35 continuing education nursing contact hours through the Wisconsin Nurses Association Continuing Education Approval Program Committee. Contact hours are complimentary with your registration fee.

To obtain continuing education contact hours for attending the ISPN Psychopharmacology Institute, please complete the attendance form included in your packet of materials. Please turn in one copy of the attendance form to the ISPN Registration Desk before you leave the conference.

The attendance form will serve as your contact hour certificate.

Registration
Psychopharmacology Institute registration will be open at the following times:
Tuesday, April 12……..11:30 a.m.-5:00 p.m.
Wednesday, April 13…. 8:00 a.m.-7:00 p.m.

Evaluation Form
The program evaluation form will be emailed to your email address on file. Please complete and submit your evaluation form electronically, once received. Your comments are valuable to the ISPN and assist the Conference Committee in planning future conferences. If you have any questions about completing the evaluation form, please see the staff at the registration desk.

Business Meeting
ISPN will hold its Annual Business Meeting on Saturday, April 16 starting at 8:00 a.m. in Ballroom 1. All members are encouraged to join the Board of ISPN to discuss the Society's business report for 2016-2017. Please be sure to attend!

Message Center
All messages for registrants will be posted on the Announcement Board in the ISPN Registration Area. If you are looking for someone at the meeting and can't catch up with her/him, leave a message on the board. Be sure to take the time to check this board each day so you don't miss a contact in Minneapolis or a message from the office!

#### Care Room
Come and relax in the ISPN Care Room sponsored by Joseph Giovannoni in the Pine Lake Room. No registration necessary.

#### Meeting Rooms
Audible signals from pagers and cellular phones may be a distraction to the speaker as well as the audience. Please program these accordingly and take phone calls outside of the meeting rooms. Thank you!

#### Internet
Wireless Internet is not available in the meeting rooms for ISPN Annual Conference attendees. The Marriott City Center does have complimentary wireless Internet in the lobby and public areas.

#### Badges
Your badge will admit you to all the educational sessions and the exhibit area at the Annual Conference. It is recommended that you wear your badge at all times during the conference. Please remove your badge when you leave the hotel.
Attendees who are participating in their first ISPN meeting have a ribbon on their badge.

#### Call for 2017 Abstracts
The ISPN 2017 Call for Abstracts deadline is June 1, 2016. Abstracts for the 2017 conference can be submitted via an online submission form that will be located on the ISPN website (www.ispn-psych.org). More information will be located on the website in May 2016.

#### Disclosures Purpose Statement
Participants will be able to incorporate into their own practices the research and best practices learned from clinical experts about innovative practices and advocacy, from educators about new teaching pedagogies and interprofessional collaboration, and from researchers about evidence-based findings across a spectrum of psychiatric interests and mental health disorders across the lifespan and around the globe.

#### Notice of Requirement for Successful Completion
To obtain continuing education contact hours for attending the ISPN Psychopharmacology Institute and Annual Conference, you must attend all sessions you are seeking credit for, complete and submit the attendance form included in your packet of materials, and complete and submit the evaluation form that will be sent to you via email. Please turn the attendance form into the ISPN Registration Desk before you leave the conference. The attendance form will serve as your contact hour certificate.

#### Non-Endorsement of Products
The presence of commercial exhibits during the conference does not imply endorsement by the ISPN, Wisconsin Nurses Association, or the American Nurses Credentialing Center's Commission on Accreditation.
The exhibit area will be located in Ballroom 2 & 4 (Level 4). It will also be the site of the poster sessions and refreshment breaks during the Conference. Please plan time to stop by and visit with the exhibiting companies, which lend valuable financial support to the ISPN Conference.

Don’t forget to complete and submit your Exhibitor Sign-Off sheet, found in your materials bag. You will be eligible to win a prize, brought to you by the Marketing and Development Committee.

Psychiatric Mental Health faculty position available. Please visit our table.

US ARMY Healthcare Team
328 Third Ave. BLDG 1468
Fort Knox, KY 40121
Telephone: 502-626-1041

Army Nursing promotes a team environment where you’ll work with peers, not competitors. You’ll still be given the autonomy to be the ultimate practitioner and you’ll have the advantage of working amongst and consulting with other healthcare professionals. As a member of the Army health care team, you’ll enjoy the deep satisfaction of performing a vital service for your country. You’ll also enjoy many tangible benefits of your service, such as 30 days paid vacation, housing allowance, retirement plan, and more. There are more benefits to being part of the U.S. Army health care team than you think. Benefits that can advance your skills and knowledge, shape your perspective, and provide you a comfortable and rewarding lifestyle.

Whether you choose the U.S. Army as your career or serve in the U.S. Army Reserve while maintaining your existing lifestyle, you’ll enter as a commissioned officer. You’ll gain the respect, responsibility, and prestige that are afforded your rank.

ISPN would like to thank its 2016 Annual Conference Exhibitors & Sponsors!

MISSION:
To support advanced-practice psychiatric-mental health nurses in promoting mental health care, literacy, and policy worldwide.

PRACTICES:
The practices of the International Society of Psychiatric-Mental Health Nurses are to:

• Strengthen the presence and voice of advanced practice psychiatric-mental health (PMH) nurses through contributions to standards, curricula, and public policy statements that promote equitable quality mental health care for individuals, families, and communities

• Promote advanced practice psychiatric nurses to deliver lifespan mental health care and literacy education to clients, families, and communities

• Promote members’ research and the development of scholarship through funding, presentations, and publications

• Support members’ efforts to collaborate with clients, families, communities, and national and international partners to address mental health issues

• Provide education, leadership development, and networking for members through conferences, online resources, service opportunities, and partnerships
We welcome you to the 2016 ISPN Annual Conference. We know that you will find this to be an enriching and fulfilling experience. To ensure the safety and security of our attendees and guests, we have compiled the following list of safety rules and guidelines for this conference.

Minneapolis Marriott City Center is committed to providing our guests a safe and secure stay. When a security or safety situation arises, or an incident occurs that should be brought to our attention, we ask that you observe the following reporting protocols:

For emergency aid of any kind, call 911 from any telephone outside of the hotel grounds.

Review the fire safety procedures located on the door in your hotel room. Note the location of the fire exits in relation to your hotel room.

Don't answer the door in your hotel room without verifying who it is. All hotel employees will identify themselves verbally and will have a silver nametag. Please call the front desk or the operator if you are uncomfortable or uncertain.

When returning to the hotel late in the evening, use the lobby entrance.

Close the door securely whenever you are in your hotel room and use all of the locking devices provided.

Secure all of your valuables. Safe deposit boxes are available at the Front Desk.

Do not leave any articles of value in your vehicle in the parking lot.

When inside the conference venue, nametags should be worn and visibly displayed at all times. For security reasons, we recommend that you DO NOT wear your badge outside of the Minneapolis Marriott City Center.

Please do not leave any bags or articles unsecured in any display area, meeting room, or public area. Personal items are most commonly left or lost in the restrooms. Please double-check the area before leaving the restrooms.

Smoking is not permitted in the hotel. It is considered a smoke-free environment.

Do not open any fire exit or other access door to any person. Access to the conference is strictly for members and registered conference guests. All access to display areas, meetings, and symposia is through the appropriate entrance doors. All fire exits are alarmed.

If you note any suspicious article, packages, persons, or activity please contact the event staff or the front desk immediately.

Do not give your lodging information to any person.

In the event of an alarm, please proceed carefully to the nearest exit. Emergency evacuation routes are located on the back of every guestroom door. All public space areas are clearly marked with Exit signs. Use the stairwells to evacuate the building. Do not attempt to use the elevators. Any guest requiring assistance during an evacuation should dial “0” and notify the operator of their location. During an alarm, announcements will be made over the PA system informing guests to evacuate. For further information, read the security section of your in-room guest directory.
Are you ready to take your career to the next level? The College of Nursing at Augusta University in Augusta, Georgia offers a wide range of courses, including a new program for Fall 2016 -- the Doctor of Nursing Practice with Psychiatric Mental Health concentration. Our nationally recognized programs offer the flexibility needed to continue your education while pursuing your career, with convenient online courses and limited on-campus requirements.

Post-Graduate Certificates – Psychiatric Mental Health and other specialties for dual certifications

Doctor of Nursing Practice – Psychiatric Mental Health Nurse Practitioner

PhD in Nursing – Full or Part-Time Study
