9th Annual Psychopharmacology Institute

Welcome to the 9th Annual ISPN Psychopharmacology Institute! The content has been carefully chosen based on the feedback from ISPN members and from all the participants from previous ISPN Psychopharmacology Institutes.

The Institute Planning Committee has worked diligently over the last year to respond to your ideas for topic areas and recommended speakers. The content is comprehensive and addresses patients across the age spectrum and prescribing issues related to diverse practice settings. This year's topics range from Opioid Crisis, What APRN's need to know about marijuana, intellectual disabilities disorders, genetic testing, pediatric bipolar disorder, prescribing controlled substances, adverse and interaction effects of psychopharmacology, geriatric psychopharmacology, use of mood stabilizers in treating elders with delirium associated agitation and aggression, adolescent addiction and co-morbidity and treating common faces of depression. There is something for everyone.

WELCOME!

The Future is Now: Psychiatric-Mental Health Nurses Leading, Advocating, Practicing, and Educating

During the Institute there is a special session focused on seeking out consultation from a panel of experts; focusing on prescribing for the populations we care for; children and adolescents, adult/geriatric, and consultation/liaison. This is a time for you to be actively involved in the learning process by sharing one of your particularly challenging clinical cases for panel and audience discussion. These sessions are always a time of stimulating discussion filled with ideas and information.

The Psychopharmacology Institute is designed to be interactive and assist you in developing partnerships that will last far beyond the two days of the Institute. You will have opportunities to network with advanced practice colleagues, establish new relationships, and interact with the presenters. We actively encourage our student participants to continue their course of education into real time practice and establish connections with experienced prescribing APRNs.

We hope that you take every opportunity to make this educational event a positive learning experience.

Best regards,

Karen Ragaisis, DNP, APRN, PHMNP-BC, PMHCNS-BC, CARN Co-Chair

Susan Krupnick, MSN, PMHCNS-BC, ANP-BC, C-PREP Co-Chair

US ARMY Healthcare Team

328 Third Ave. BLDG 1468 Fort Knox, KY 40121 Telephone: 502-626-1041

Army Nursing promotes a team environment where you'll work with peers, not competitors. You'll still be given the autonomy to be the ultimate practitioner and you'll have the advantage of working amongst and consulting with other health care professionals. As a member of the Army health care team, you'll enjoy the deep satisfaction of performing a vital service for your country. You'll also enjoy many tangible benefits of your service, such as 30 days paid vacation, housing allowance, retirement plan, and more. There are more benefits to being part of the U.S. Army health care team than you think. Benefits that can advance your skills and knowledge, shape your perspective, and provide you a comfortable and rewarding lifestyle.

Whether you choose the U.S. Army as your career or serve in the U.S. Army Reserve while maintaining your existing lifestyle, you'll enter as a commissioned officer. You'll gain the respect, responsibility, and prestige that are afforded your rank.

ISPN would like to thank its 2016 Annual Conference Exhibitors & Sponsors!

MISSION:

To support advanced-practice psychiatric-mental health nurses in promoting mental health care, literacy, and policy worldwide.

PRACTICES:

The practices of the International Society of Psychiatric-Mental Health Nurses are to:

- Strengthen the presence and voice of advanced practice psychiatric-mental health (PMH) nurses through contributions to standards, curricula, and public policy statements that promote equitable quality mental health care for individuals, families, and communities
- Promote advanced practice psychiatric nurses to deliver lifespan mental health care and literacy education to clients, families, and communities
- Promote members' research and the development of scholarship through funding, presentations, and publications
- Support members' efforts to collaborate with clients, families, communities, and national and international partners to address mental health issues
- Provide education, leadership development, and networking for members through conferences, online resources, service opportunities, and partnerships

FEATURED FACULTY Georgia L. Stevens, PhD, APRN, PMHCNS-BC Director, PAL Associates: Partners in Aging and Long-Term Caregiving Washington, DC

AGENDA

12:10рм сот 12:15рм сот 1:10рм сот Registration Presentation Question and Answer Session

Dr. Stevens is a paid consultant for Otsuka America Pharmaceutical, Inc. and Lundbeck

The intended audience for this program is healthcare professionals involved in the treatment of patients with schizophrenia.

This program is sponsored by Otsuka America Pharmaceutical, Inc. (Otsuka) and Lundbeck and is not a CME activity.

In accordance with the PhRMA Code on Interactions with Healthcare Professionals, attendance at this educational program is limited to only Healthcare Professionals (Physicians, Nurse Practitioners, Physician Assistants, RNs, Clinical Pharmacists, Social Workers). Accordingly, attendance by guests or spouses is not permitted. This is a promotional program and no CME credits are offered. This educational program may include the provision of a modest meal. Otsuka and Lundbeck do not offer such a meal to healthcare professionals (HCPs) whose institutions prohibit such hospitality, nor do Otsuka and Lundbeck offer a meal where federal or state laws (e.g., Vermont and Minnesota) limit an HCP's ability to accept such a meal. Accordingly, please consult your legal or ethics advisor regarding any applicable limitation before attending this educational program. If you are licensed to practice in a state where meals are either prohibited and/or restricted and you accept a meal, you understand that you will be required to reimburse Otsuka for the cost of this meal.

Please note that Otsuka and Lundbeck are required to report the value of a provided meal pursuant to applicable federal and/or state laws. This invitation is non-transferable.

Model is used for illustrative purposes only.

SAFETY RULES & GUIDELINES

We welcome you to the 2016 ISPN Annual Conference. We know that you will find this to be an enriching and fulfilling experience. To ensure the safety and security of our attendees and guests, we have compiled the following list of safety rules and guidelines for this conference.

Minneapolis Marriott City Center is committed to providing our guests a safe and secure stay. When a security or safety situation arises, or an incident occurs that should be brought to our attention, we ask that you observe the following reporting protocols:

For emergency aid of any kind, call 911 from any telephone outside of the hotel grounds.

Review the fire safety procedures located on the door in your hotel room. Note the location of the fire exits in relation to your hotel room.

Don't answer the door in your hotel room without verifying who it is. All hotel employees will identify themselves verbally and will have a silver nametag. Please call the front desk or the operator if you are uncomfortable or uncertain.

When returning to the hotel late in the evening, use the lobby entrance.

Close the door securely whenever you are in your hotel room and use all of the locking devices provided.

Secure all of your valuables. Safe deposit boxes are available at the Front Desk.

Do not leave any articles of value in your vehicle in the parking lot.

When inside the conference venue, nametags should be worn and visibly displayed at all times. For security reasons, we recommend that you DO NOT wear your badge outside of the Minneapolis Marriott City Center.

Please do not leave any bags or articles unsecured in any display area, meeting room, or public area. Personal items are most commonly left or lost in the restrooms. Please double-check the area before leaving the restrooms.

Smoking is not permitted in the hotel. It is considered a smoke-free environment.

Do not open any fire exit or other access door to any person. Access to the conference is strictly for members and registered conference guests. All access to display areas, meetings, and symposia is through the appropriate entrance doors. All fire exits are alarmed.

If you note any suspicious article, packages, persons, or activity please contact the event staff or the front desk immediately.

Do not give your lodging information to any person.

In the event of an alarm, please proceed carefully to the nearest exit. Emergency evacuation routes are located on the back of every guestroom door. All public space areas are clearly marked with Exit signs. Use the stairwells to evacuate the building. Do not attempt to use the elevators. Any guest requiring assistance during an evacuation should dial "0" and notify the operator of their location. During an alarm, announcements will be made over the PA system informing guests to evacuate. For further information, read the security section of your in-room guest directory.
